

CONTRACTORS AND VENDORS

HOW TO BECOME A VENDOR WITH EAST ST. LOUIS HOUSING AUTHORITY

East St. Louis Housing Authority (ESLHA) continuously seek new qualified vendors who wish to compete for procurement and contracting needs. Potential vendors are encouraged to request a Vendor Registration Form from the ESLHA's Contracts Department. The contact persons are Lynn Clanton, Director of Contracts at 618.646.7211 or lclanton@eslha.org and Melissa Burnett, Contract Administrator at 618.646.7110 or mburnett@eslha.org.

Contractors/Vendors may submit their company name, address, phone number and email address to the Contracts Department. In addition, submit the nature of your business and all other attachments (certificates, licenses, etc.) that will authenticate your qualifications.

DIVERSITY AND ECONOMIC INCLUSION

If you are certified as a Minority Business Enterprise (MBE), Women-Owned Business (WBE) Enterprise or Disadvantage Business Enterprise (DBE), submit the MBE, WBE or DBE Certification document for your company as well.

ESLHA has established goals which are to be seriously pursued relative to all ESLHA procurement and contracting activities. Those goals are as follows:

- 20% MBE General Construction
- 12% MBE Professional Services
- 5% MBE Materials/Supplies
- 5% WBE
